Harmony seemed to be the keynote of the session of the supreme camp of the Royal Neighbors at the annual election of officers yesterday afternoon and at no time did any dissension arise to frighten away the dove of peace that hovered over the scene. One of the delegates who has been at practically every convention since the society's organization remarked this morning that in every respect the sessions so far have been most harmonious in the history of the organization at the supreme camp meeting.

The defeated candidates took their defeat in the true spirit of good losers and at once turned in to give what assistance they could to their more favored sisters. As the supreme officers' names were called they were received with enthusiastic cheers and waving of flags and handkerchiefs that amounted to an ovation.

When balloting began and results had been counted the surprise of the afternoon was the small vote polled by Mrs. Myrtle Dade-Schoessel for the position of supreme manager, the only candidate from this city who was entered in the race for any office. She polled a total of 62 votes, losing in the race for the office she was seeking.

The business session was continued this morning, the election of officers being unfinished at the time of adjournment last evening.

**Part Named by Acclamation.**  
Supreme camp officers where no opposition had developed were elected by acclamation yesterday afternoon, doing away with the necessity of the tedious balloting that would otherwise have been necessary.

Mrs. Myra B. Enright of Kansas City, Kan., was chosen supreme oracle to succeed herself. Mrs. Effie B. Curry of Denver, Colo., was chosen supreme vice oracle to succeed Mrs. Betty Hubbard of Fowler, Colo., who entered the race for supreme receiver. Dr. Hada Burkhart was chosen supreme recorder no opposition having developed for the office. Mrs. Clara J. Greget of Dowling, S. D., was chosen supreme chancellor to succeed herself. Mrs. Mae Morgan of Wheeling, W. Va., was chosen supreme inner sentinel to succeed Mrs. May Buchanan of Moscow, Idaho, who withdrew. Mrs. Fannie Black of Dayton, Mont., was named supreme outer sentinel to succeed Mrs. Lulu Hawley of Santa Rosa, Cal., and the entire board of physicians, Mrs. Susan McG. Snyder of Council Bluffs, Iowa, Mrs. Elmore Gilson Whitmore of Topeka, Kan., Mrs. Sophie Scheel of Passaic, N. J., and Mrs. Anna Ries-Finley of Ogden, Utah, were reelected.

**Others By Ballot.**  
Other officers, the supreme receiver,

### AGENTS WANTED.

supreme marshal, supreme managers, and supreme auditors, were chosen by ballot. The Australian system of balloting was used in the election and as the name of each delegate was called she went to the stage, was given her ballot and retiring to the voting booths, marked it. The voting proved a long tedious process.

Five out of six candidates were chosen for the position of supreme managers and are: Mrs. Eva Child of Hanover, Wis., 208; Mrs. Anna M. Bair of Webster City, Iowa, 212; Mrs. Clara M. Richards of Buchanan, Mich., 210; Mrs. Alice Gilliland of Springfield, 194; Mrs. Anna Shepherd, 209; Mrs. Schoessel being the sixth candidate.

For the position of supreme receiver Mrs. Alice C. Nash of Minneapolis with 183 votes, defeated Mrs. Betty Hubbard of Fowler, Colo., who polled 39 votes.

For the board of supreme auditors three out of four candidates were elected. Mrs. Luella Esleman who received 85 votes being succeeded by Mrs. Mary Arnholt of Peoria, who received 156 votes. Mrs. Ella Foster of Chandler, Okla., with 219 votes, and Mrs. Fanny Volz of Indianapolis, Ind., with 215 votes, were named the remaining members of the board. The race for supreme marshal between Mrs. Pearl Morgan, Mrs. Mary A. Murray and Mrs. Clara Walsner resulted in the election of Mrs. Walsner of Wyoming, who polled 185 votes.

At the adjourned business session this morning by a vote of the convention voting by the Australian ballot was done away with in order to facilitate the election of the marshal.

The supreme physicians' reports were submitted and upon motion the reports of the auditors were referred to the committee on supreme officers which will digest them and make recommendations accordingly.

Mrs. Anna S. Ede Makes Requests to Lutheran Congregations in Last Will.

**Cake Presented Recorder.**  
Last evening, while Dr. Hada Burkhart, who was yesterday reelected supreme recorder, was dining at the New Harper with a party of three friends she was very much surprised and delighted to receive from Carl Mueller, manager of the New Harper, a beautiful, large cake, gayly decorated with frosting and sugar flowers. On the top of the cake was the inscription "Dr. Hada Burkhart, Supreme Recorder." In one corner of the cake was inscribed "Some Politician" and in another "\$3,000." She was very much pleased with the gift and had it placed where it would be in safe keeping.

**Sunny Jim Perfect Accountant.**  
Mrs. Laura Brumagin, special adjuster, better known as "Sunny Jim," is a most perfect accountant and upon her devolves the duty of straightening out any difficulties that may arise in camps throughout the country. She travels from one end of the country to another and is busy all the time with other people's troubles.

## WANT MORE PAY FOR MANAGERS

Friends Advocate a Salary From \$2,000 to \$2,500 Per Annum.

### WILL BE WARMLY OPPOSED

Many Delegates Declare That Added Expense Already Authorized is Sufficient.

Friends of the supreme managers are expressing dissatisfaction with the outcome of the salary question and they feel that these officers, who are now receiving \$2,000, should receive a proportionate increase and be given \$2,500 a year for their services. This comes close on the heels of the recommendation of the committee on salaries following which the camp voted an increase from \$2,500 to \$3,600 in the salaries of the supreme oracle and supreme recorder. Inasmuch as the delegates to the convention voted an increase to themselves from \$10 to \$12 a day, friends of the other officers feel that there should be no opposition to this proposed increase.

**Facing a Fight.**  
However, indications are that this subject will bring a fight on the floor of the convention from those who oppose any further increase in salaries, as the opposition is of the opinion that the society is not in a position to make any further increase at this time.

### Neighbors' Gossip

Mrs. Nellie Preble, editor of the Rock Neighbor, known as "Optimistic Nellie," is a very popular personage at the convention. Her bright smile and willing word of information has made her a very much sought lady.

Mrs. Mabel Hawk, delegate from San Antonio, Texas, seems to be one of the most popular and interesting delegates attending the convention. Her home is only about 150 miles from the Mexican border and her talk along the question of the present difficulties with that country is very interesting. Her viewpoint is quite different from that of the many and she is of the opinion that the United States has no business in meddling with the affairs of Mexico. San Antonio has a population of 15,000 Mexicans and recently when the unpleasantness began in that country many of the natives living in the country about the city came to town with their possessions wrapped in a handkerchief and asking for protection from the citizens. Mrs. Hawk has as a companion, Mrs. Myrtle Parks, state supervising deputy. She is a charming woman and one whom it is a pleasure to meet.

The supervising deputies of the United States and Canada will tender a banquet to the executive council at 6 o'clock tomorrow evening at the New Kimball hotel, Davenport. Following the dinner the supervising deputies will meet the district deputies in the parlors and a social evening will be enjoyed. The committee in charge of the arrangements is composed of Mrs. Beatrice E. Reinheimer of Sandusky, Ohio, chairman; Mrs. Alice C. Smith of Michigan; Mrs. Rose L. McGrath of Oregon and Mrs. Artilla Bement of Kansas. At the same time and at the same hotel the district deputies will entertain the supreme physicians at a dinner, joining later in the reception in the hotel parlors.

The Royal Neighbor drill team of Pansy camp No. 10 of Omaha, Neb., of which Mrs. Laura B. Holt is captain, delightfully entertained the employees of the Modern Woodmen office with a fancy exhibition drill yesterday. In the retort of the head office building. This team is one of the best drilled in the society at large and the members make a very fine showing in their white serge suits and caps with trimmings of purple, the colors of the society. The team is composed of the following ladies: Mesdames Laura B. Holt, August Waage, Walter Anderson, G. E. Thomason, A. W. Willey, A. P. Brady, L. C. Clark, Mark Barlow, Gus Martig, J. W. Bennett, Henry Good, J. M. Watson and Sampson.

The feature of the entertainment accorded the delegates and the visitors to the Royal Neighbor convention last evening was a concert given in Spencer square by Stroehle's band with the compliments of the Rock Island club.

Before the concert proper the band went from hotel to hotel and serenaded the visitors, playing a short program. Great crowds of people had gathered in the down town streets and following the band from place to place enjoying the excitement and novelty of parading behind a band as much as the visitors did the serenade.

At the square the band gave a program of popular airs and entertained until a late hour. With the beautifully lighted streets, the gay banners and decorations, the merry faces and rainbow of colors in the gowns of the ladies the scene was that of fairyland and was most interesting to the on-looker.

The various drill teams entertained the crowds with pretty drills at the various hotels and were given rounds of applause.

Mrs. Lulu Case of Berkeley, Cal., seems about the busiest one at the convention. She is a member of the mileage and per diem committee, and upon her shoulders rests a great deal of the responsibilities of that committee. She is also acting as a sort of mother

to the rest of the California delegation and as a chaperone to the members in showing them about the city and its points of interest.

Mrs. Alice Nash, who yesterday was elected supreme receiver, is being nearly smothered with letters and telegrams from friends in all parts of Minnesota offering congratulations on her election. During Mrs. Nash's term of office she will handle about six million dollars. No inconsiderable sum.

Mrs. Carrie Franklin, retiring supreme receiver, is considered the silver-tongued orator of the convention. Her talk yesterday on the floor had a great deal to do in the adoption of the report of the committee recommending the raising of salaries. While this is possibly true, Mrs. Susie B. Rose, one of the supreme managers, who was not a candidate for reelection at this time, had a great deal to do with the adoption of the report. She argued inasmuch as the delegates had voted themselves an increase to \$12 per day they should not be averse to giving the supreme officers a raise in salaries.

The bureau of information members, a most accommodating and agreeable lot of ladies, were at their places in the New Harper lobby exactly on time this morning, in fact they were one or two minutes ahead of time, feeling that they had been unduly censured yesterday because they had been a few minutes late.

Mrs. May Buchanan, supreme inner sentinel, came all the way from Moscow, Idaho, to shed the light of her countenance on the delegates. Mrs. Buchanan is a busy little body, and while about her duties she lets no one pass without the inner password. She finds plenty of time to sing the praises of Idaho, and especially dwells on the fact that Idaho raises better peaches (take it as you will) than any other state in the union.

A number of visitors left for their homes last evening and today, but they are much in the minority, the others remaining to enjoy the program of entertainment provided up to the last day.

## DIVORCE DESIRE IS NOT GENERAL

Much Opposition to Separation of Woodmen and Royal Neighbors Expressed.

The question of divorcement of the Royal Neighbor society as an auxiliary from the Modern Woodmen as mentioned in The Argus of last evening, has stirred up considerable interest and is being discussed on every hand both pro and con. The majority of delegates seem very much opposed to any such action being taken by the supreme camp at this time or at any later date. They believe that should the society take any such action it would virtually be suicide, for they say the Royal Neighbor society has become what it is mainly through the support given it by the members of the Modern Woodmen and the prestige that the society gives the auxiliary.

Modern Woodmen, who were this morning interviewed on the subject of possible divorcement, believe almost to a man that such action would result in nothing but great harm to the society and they would be very sorry to see any such action taken on the question now or at any future time. The final result would undoubtedly be the opening of the Modern Woodmen to the admission of women to the society, and this would have a tendency to check the growth of the Royal Neighbors, it is claimed.

## TOLEDO IS ALSO OUT FOR MEETING

City Which Will Entertain Woodmen Head Camp Wants R. N. A. in 1917.

### MAKES ALLURING PROMISES

Now Considered Most Formidable Rival of Minneapolis for the Favor of Delegates.

Toledo, Ohio, has entered the race to procure the next supreme camp session of the Royal Neighbors, and, not to be outdone by Minneapolis, its strongest rival, is putting forth every effort possible to land the convention. While numbers of other cities have been seeking the next convention, prominent among which have been Albany, N. Y.; Jacksonville, Fla.; Cleveland, Ohio, and Birmingham, Ala., the contest will undoubtedly simmer down to Toledo and Minneapolis.

After viewing the claims, especially of Toledo and Minneapolis, the Birmingham delegation today decided to drop from the race, realizing that the city is much too far south for the meeting place of the national convention.

Toledo puts forth the claim that the city is going to entertain the Modern Woodmen at the national meeting in June in a manner never before attempted and its citizens are willing to show just how splendid hosts they can be, claiming that the Royal Neighbors will receive like treatment at the meeting three years hence. Both cities are in the race to win and are allowing no opportunity to escape them to lay their claims before the delegates.

**Vote Near the Close.**  
Minneapolis certainly has a bunch of eager boosters and their literature is being spread broadcast in the convention. The central location of the northern metropolis is given as one of the greatest points in its favor and will no doubt be considered by the delegates as a favorable claim. The vote on the place of meeting will probably not be taken until near the time of adjournment.

## SHOOTS HIS WIFE IN DRUNKEN RAGE

Frank Reece of Davenport Is Angered at Woman's Refusal to Go Auto Riding.

F. A. Reece of Davenport last evening went to his home at 617 West Third street in a drunken condition, picked a quarrel with his wife when she refused to go automobile riding with him, and shot her.

Reece reached home about 8 o'clock. He had his car waiting outside, and asked his wife to accompany him for a ride. Owing to his condition she refused. After an exchange of words he suddenly drew a revolver, pointed it at her head and fired, inflicting a slight scalp wound. The injured woman fell to the floor in a swoon. Later she was removed to Mercy hospital. The wound is not serious, however.

## CLAIMS HUSBAND IS VERY CRUEL

Mrs. Lola Ford Asks for Injunction to Prevent Hubby Carrying Out Threat.

In a bill for divorce and injunction filed today in circuit court, Mrs. Lola Bell Ford, Moline, claims her husband, Perkins Ford, repeatedly threatened to kill her. She asks an injunction to prevent him from carrying out his designs.

The couple was married March 4, 1911, at Carrolltown, Mississippi, and lived together until May 19, 1914. Extreme and repeated cruelty is charged, it being claimed that he on one occasion knocked her down while she was carrying a lighted lamp and she was severely burned. She alleges recently following a quarrel, she ran into a ci-set to protect herself and that her husband followed her and drew a four-inch blade and put it on her forehead saying he would kill her.

In branch court today Lillian B. Smith was given a divorce from W. A. Smith and Gustaf Wostyn was divorced from Mary Wostyn.

## DELEGATES MISS TRI-CITY JAUNT

Election Keeps Them Busy but Other Visitors Fill Four Cars and Make Trip.

The business session of the supreme camp of the Royal Neighbors lasted till late in the afternoon yesterday, the balloting on the supreme officers occupying the time of the delegates so that they were unable to participate in the street car ride over the lines of the Tri-City Railway to points of interest in the three cities. The other visitors, however, were given an opportunity to take the ride and four large open cars were filled and conveyed to places of special interest as the guests of the Rock Island business men.

The day was ideal in every respect and the ride proved a real treat and one which the ladies thoroughly enjoyed. The Watch Tower was visited as was Long View park, and a trip was taken across the island and through Davenport and Moline.

The original idea had been to take the delegates and visitors in automobiles for a trip about the cities but it was impossible to procure enough machines to accommodate the crowds and this plan was abandoned.

## ALLEGED WRITER OF THREAT BEING TRIED BY A JURY

H. V. Anderson Charged With Sending Letter to Extort to Postmaster Warner.

### CLAIM MISSIVE IS OPENED

Said Unless Official Came Across With Price Secret Service Men Would Be Notified.

Because he accused Lawrence G. Warner, the postmaster at Warner, Ill., of opening a letter and destroying it and threatening to expose him to the government unless he "come across," H. V. Anderson, 329 Seventeenth street, Moline, is being tried today in county court before Judge B. S. Bell. He is under indictment on a charge of extortion by threats. State's Attorney F. E. Thompson is prosecuting and G. A. Shalberg defending.

The Letter.

Anderson was indicted by the grand jury in January, 1913. The letter which he is charged with having sent to Warner follows: Dear Sir:—I wrote you last spring about that letter you took from the postoffice to your scale office and then opened in and read it and hid it away but it was found. I know all about it, know more than you think now. I have kept this a secret this long and can keep it the rest of my days, that if it is you come across with the price. If not, I will explain it to a U. S. secret service man, a friend of mine will do the rest. Now I will give you five days to answer this letter and say what you will do. If no answer in that time, I will explain to my friend. You know what Uncle Sam will do in a case like this." The indictment states that the writer of the letter supposed to have been destroyed and to whom it was addressed, is unknown.
